### **MYCON General Contractors Promotes Rick Dubec to Vice President, Special Projects**

Dallas, TX, May 2, 2018 – MYCON is pleased to announce that it has promoted industry veteran, Rick Dubec, to Vice President, Special Projects in the company’s Central Texas office in College Station, Texas.

“Rick’s leadership in our Central Texas office is integral to achieving our growth objectives and to delivering exceptional service to our clients while we expand our presence in the region,” says Charles R. Myers, President and CEO of MYCON. “Rick’s promotion is well-deserved and we look forward to his continued contributions to our firm,” adds Myers.

With more than 27 years of experience in commercial construction, Dubec joined MYCON in March 2016 to lead its new Central Texas office. Under Dubec, the Central Texas office has grown from seven employees to 33 while revenues have grown from \$6.7 million to a projected \$32 million for fiscal 2018.

Some of Dubec’s signature projects for MYCON have been large-scale remodels for retail clients, such as Tanger Outlet Mall in Texas City, TX; Deerbrook Market Place in Humble, TX; and 30 Walmart or Sam’s Club remodels in various locations.

As Vice President, Dubec is responsible for meeting the company’s strategic financial and operational goals; overseeing multiple project teams; hiring and retaining employees; establishing and maintaining subcontractor relationships and expanding MYCON’s client base in the Central Texas region.

#### **About MYCON**

Founded in 1987, MYCON is an award-winning general contractor serving diverse market sectors, including industrial, commercial office, retail, healthcare, hospitality, religious and financial services, among others. With annual revenues of approximately \$300 MM, MYCON has completed hundreds of commercial construction projects in the North Texas region. The firm was recently recognized as one of the fastest-growing mid-market companies in the metroplex by the *Dallas Business Journal* and among the Top 10 National Retail Contractors by *Commercial Construction & Renovation Magazine*.
