MYCON General Contractors Hires New Project Director to Oversee Company's Growth

DALLAS, July 19, 2018 -- MYCON has hired Timothy Keys as project director to oversee the company's rapidly expanding office and hospitality market sectors.

"Tim brings 31 years of construction industry experience to MYCON," says Charles R. Myers, president and CEO. "His extensive knowledge and fresh insights make him a great addition to our leadership team."

Keys graduated from Boise State University with a Bachelor of Science degree in Construction Management. He has since directed over \$1 billion worth of construction projects for major clients in markets including hospitality, institutional, multi-family residential, healthcare and commercial office.

As project director for MYCON, Keys will manage all aspects of projects from preconstruction to completion. He will oversee project teams in each of MYCON's diverse markets to ensure that quality standards, schedules and budgets are met.

"With MYCON's growth in North and Central Texas, I am very excited to be working with top-tier people who are expanding Charlie's vision: safely deliver quality buildings to clients that love them," says Keys. "In a time of rapid and seemingly uncontrolled growth in the construction industry, I am thrilled to be a part of a team of first-class builders that are committed to Charlie's calm focus of enduring client satisfaction."
