### **MYCON General Contractors, Inc. Welcomes Bill McDonnell as Vice President of Operations**

Dallas, Texas, July 31, 2023 — Dallas-based MYCON General Contractors, Inc. (MYCON) has welcomed Bill McDonnell as Vice President of Operations. In this role, McDonnell will oversee efforts to improve operational performance by fostering personnel development, enhancing training and mentoring programs, streamlining operations from office to field, and maximizing efficiencies, quality, and uncompromising safety.

“Bill is a relationship-driven professional with extensive technical skills,” said Charles R. Myers, president and CEO of MYCON. “His attention to detail and ability to look at the big picture will be imperative in finetuning our processes – helping us become more efficient builders.”

As Vice President of Operations for MYCON, McDonnell will tap into his diverse experience gained from holding both field and office roles to create strategic partnerships, identify opportunities for change, and lead colleagues toward the highest standards of excellence.

“Bill’s background and thorough understanding of construction processes will support the overall cohesion of our project teams,” said Myers.

McDonnell was introduced to the construction industry at a young age, working summers at his father’s concrete contracting company. He is a seasoned leader with over 29 years of experience in the commercial construction industry. His project experience spans the industrial, retail, grocery, automotive, healthcare, aviation, and high-rise residential markets. Most recently, McDonnell served as project executive on the largest hospital expansion in Oklahoma history, The OU Health University of Oklahoma Medical Center – North Tower.
