Roger Pavlovich joins MYCON General Contractors as Vice President

DALLAS, Texas, August 27, 2018 – Roger Pavlovich has joined MYCON General Contractors Inc. as vice president through the firm’s recent acquisition of Pavlovich Construction Services.

“Roger is recognized as a dynamic executive and is known for his leadership and risk assessment skills in overseeing and completing complex, multimillion dollar projects for clients,” says Charles R. Myers, president and CEO of MYCON.

Pavlovich graduated from California State College with a Bachelor of Science degree in Industrial Technology and has since built an impressive track record and strong peer network in the North Texas region. He has more than three decades of experience in the construction industry and has held executive positions at companies where he managed all phases of construction on projects valued from \$5 million to \$100 million. Prior to joining MYCON, he founded and led Pavlovich Construction Services that offered design/build, pre-construction, new construction, tenant improvements and landlord services.

As vice president, Pavlovich provides leadership and management depth for MYCON’s growth and market expansion in the industrial, office and retail interiors, food processing and manufacturing sectors.

About MYCON General Contractors

Founded in 1987, MYCON General Contractors Inc. is an award-winning general contractor serving diverse market sectors, including industrial, manufacturing, commercial office, retail, healthcare, hospitality, religious, institutional and financial services. With annual revenues of approximately \$300 million, MYCON has completed hundreds of commercial construction projects in the North and Central Texas regions.

The firm was recently recognized as one of the fastest-growing mid-market companies in the DFW metroplex by the *Dallas Business Journal* and among the Top Five National Retail Contractors by *Commercial Construction & Renovation Magazine*. For more information, visit www.mycon.com.
